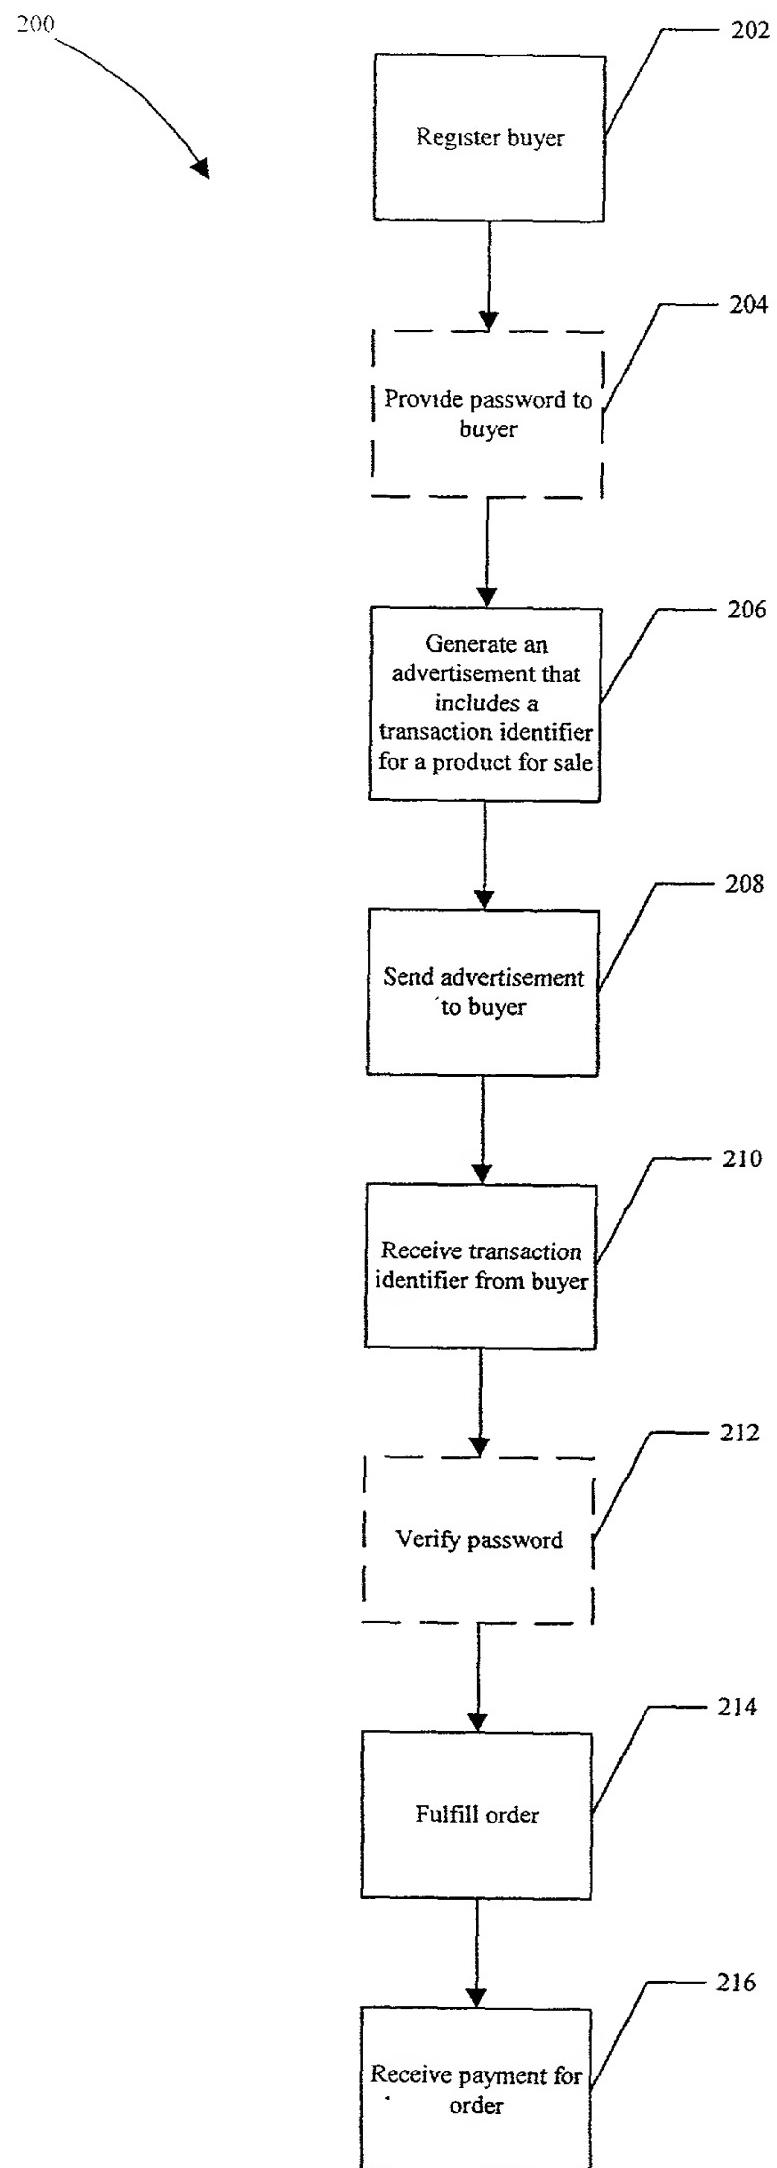

FIG. 2

The diagram shows a rectangular form titled "Buyer Registration". Inside the form, there are three text input fields: "Name:", "Address:", and "Credit Card Number:". A bracket labeled "304" groups the "Address:" and "Credit Card Number" fields. To the right of the "Name:" field is a bracket labeled "302". Below these fields is a section labeled "Areas of interest:" containing three checkboxes. A bracket labeled "306" groups the first two checkboxes, which are next to the labels "Groceries" and "Electronics". The third checkbox is next to the label "Fashion". At the bottom left of the form is a "Send" button. The entire form is enclosed in a large bracket at the bottom labeled "Buyer Registration".

FIG. 3

The diagram shows a rectangular message window titled "Buyer Password". Inside the window, the "To:" field contains "John Smith", the "From:" field contains "SuperSeller", and the "Message:" field contains the text "Your password is XYZ456.". A bracket labeled "402" points to the "To:" field. A bracket labeled "108" points to the password "XYZ456".

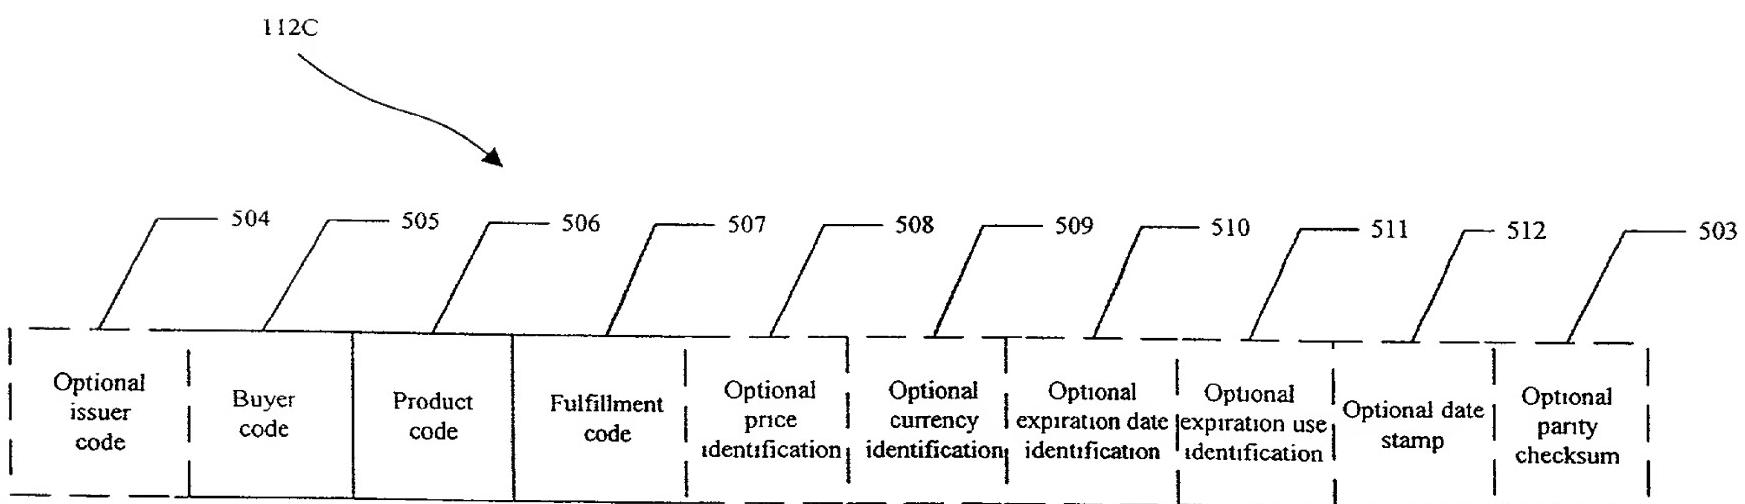

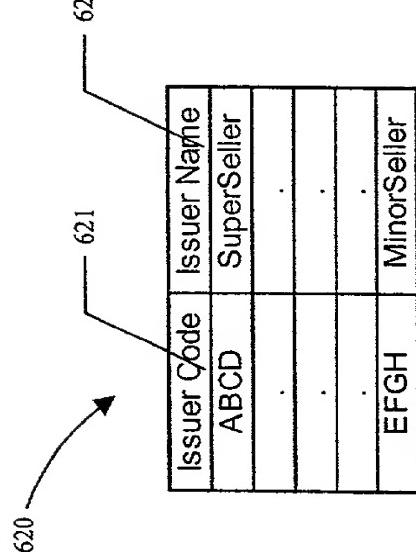

FIG. 5D

The diagram shows a table with 7 columns and 7 rows. The columns are labeled from left to right: Transaction Identifier, Buyer Code, Product Code, Fulfillment Code, Transaction Expiration Date, Limit on the number of past transactions, and Actual Number of Past Transactions. The rows contain sample data. A curved arrow labeled 602 points to the first row. Callouts numbered 603 through 613 point to the following columns respectively: Transaction Identifier, Buyer Code, Product Code, Fulfillment Code, Transaction Expiration Date, Limit on the number of past transactions, and Actual Number of Past Transactions.

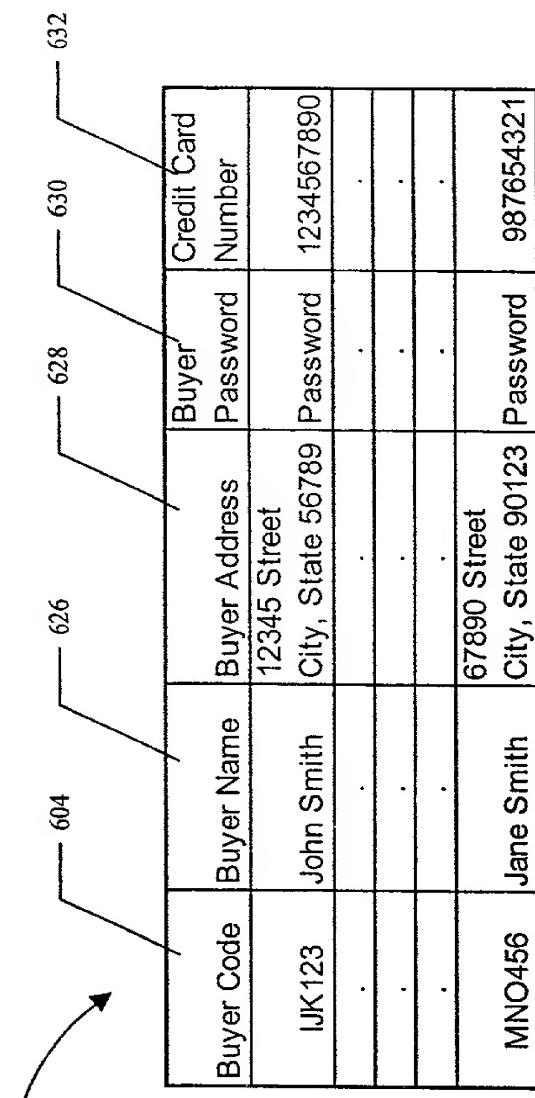

Transaction Identifier	Buyer Code	Product Code	Fulfillment Code	Transaction Expiration Date	Limit on the number of past transactions	Actual Number of Past Transactions
